LISSETT HOMES

A WELL-EARNED **LIFESTYLE**

LINDEN COTTAGE

With its quintessential English country feel, the Linden Cottage provides style, quality and flexible living, whether you are entertaining friends, relaxing with family or having a quiet night in.

New designs complement classic cottage-style features, such as exterior stonework, brickslip sills, Marley Eternit cedar cladding, box bay windows, quaint shutters, vaulted ceilings and a contemporary fireplace.

LOUNGE

With vaulted ceilings, box bay windows and contemporary bifolding doors to the outside space, the flexible, open-plan lounge area is light and airy, making it ideal for either relaxing

with family or entertaining friends. A contemporary fireplace with a living flame fire provides a cosy focal point for the lounge, and luxurious furnishings provide the perfect finish.

LINDEN COTTAGE

KITCHEN

A sleek, curved breakfast bar seamlessly flows onto an airy dining area and lounge. High, vaulted ceilings with recessed lighting add to the bright and spacious feeling of the kitchen. Each Linden Cottage kitchen is equipped with fitted Bosch

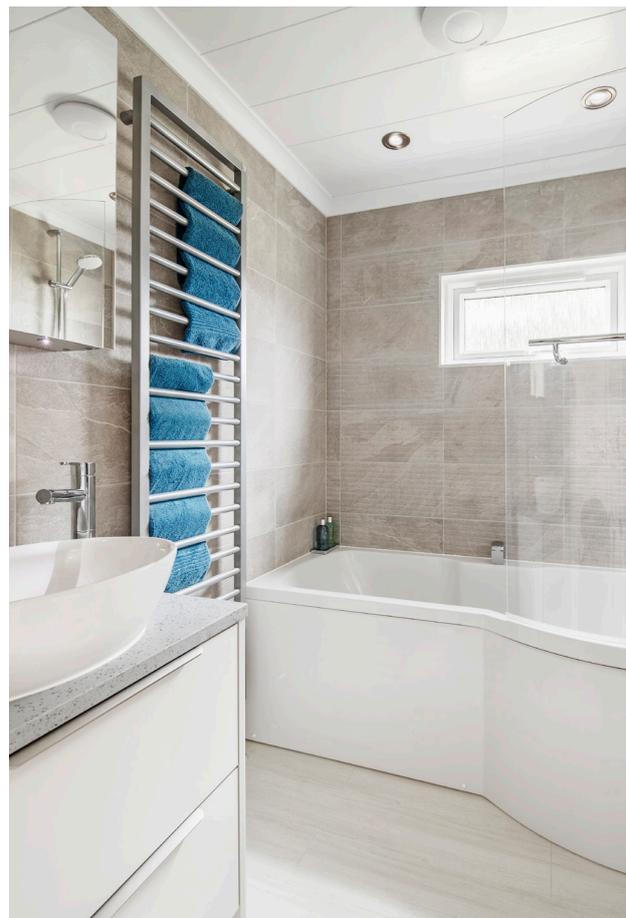

integrated appliances, including a washer/dryer, microwave, a stainless steel 5-burner hob (with central wok burner), a double fridge and freezer, and a double oven.

LISSETT HOMES

BEDROOM

The fitted bedrooms come with a choice of carpets, curtains, wallpaper and bedcovers. Choose from either 4' 6" or 5' 0" wide beds provided as standard, or customers can bring their own if they prefer. Create a room to relax and unwind in and wake up refreshed.

BATHROOM

The family bathroom features a large, P-shaped Vitra bath with shower above. A large white washbasin sits above a cabinet which has been custom designed and expertly crafted by the team at Lissett Homes.

LINDEN COTTAGE

EXAMPLE FLOORPLANS

Please see an example floor plan however we have a range of floorplans for The Linden Cottage on our floorplan section of our website.

Our floor plans allow you to see our recommended layouts, but we offer complete flexibility of room settings and size, colour schemes, external cladding, solar systems, music systems, underfloor heating, air to water pumps, environmental accessories and specific disability requirements.

Lissett are able to manufacture and design to the most exacting standards.
