FRESH STYLING RENEWED APPEAL!

THE ODYSSEY

Our ever-popular Odyssey park home has been given a brand-new look for 2018. With the main door at one end and a well-panned, linear layout, this is a park home like no other.

From the entrance hall, the living area stretches out before you – first the study, then the kitchen that leads to the dining area, and then finally to the lounge which spans the full width of the home. Patio doors lead from both the dining area, on the side of the home, and from the lounge to the front.

LOUNGE

The expansive lounge is 22 feet wide and just over 11 feet long. On three sides it features double-glazed, box-bay windows, whose deep sills provide a great place to sit.

The two stunning, Italian-made coffee tables feature a marble finish, with brushed steel legs. The log-effect, remote-controlled fire provides a natural focal point, above which is a media centre, hidden behind a cabinet door, and a place for a TV.

Glass doors separate the lounge from the dining area – so you can completely close off the lounge or leave the doors open for integrated living.

The settee and two chairs are from the Carrera range made by Ashley Manor, and upholstered in plain velvet fabric. The huge circular pendant light which hangs over the centre of the room is made by Dar Lighting - an Oxfordshire company known for its innovative lighting styles.

THE ODYSSEY

KITCHEN

The Odyssey's galley-style kitchen offers all the workspace you could ever need. It is superbly equipped too, with a five-burner hob, combined oven-grill and microwave, dishwasher and fridge-freezer. No expense has been spared with a wide range of cabinets and soft-close drawers.

The dining area leads off from the kitchen and is open-plan style, yet with its own distinct identity. A large four-seater table stands in the centre, and the sideboard's marble-effect top matches the table and kitchen surfaces. Three attractive feature radiators will keep you cosy, whatever the weather.

LISSETT HOMES

BEDROOM

The family bathroom features a large, P-shaped bath with shower above. A large white washbasin sitting above a cabinet, and a full-height cupboard complete the picture.

STUDY

The generous desk is integrated within an array of beautifully crafted cabinets and shelving. Our trademark attention to detail can be clearly seen in the finish, especially the finely rounded corners.

UTILITY ROOM

A washer-dryer hides away among the cabinets here, together with the central heating unit; the system is a gas combi boiler.

BATHROOM

The family bathroom features a large, P-shaped bath with shower above. A large white washbasin sitting above a cabinet, and a full-height cupboard complete the picture.

THE ODYSSEY

EXAMPLE FLOORPLANS

Please see an example floor plan however we have a range of floorplans for The Odyssey on our floorplan section of our website.

Our floor plans allow you to see our recommended layouts, but we offer complete flexibility of room settings and size, colour schemes, external cladding, solar systems, music systems, underfloor heating, air to water pumps, environmental accessories and specific disability requirements.

Lissett are able to manufacture and design to the most exacting standards.
